

Day 5

Pick a spot where you can draw something—a place you'll see often throughout your day. It could be using a dry erase marker on your bedroom mirror, a piece of paper stuck to your fridge, or even a washable marker on the back of your hand.

Now, draw a fire, the flames bold and bright.

Every time you see this fire, remember that you are not alone. Just as Jesus sent the Holy Spirit like tongues of a fire to equip His disciples to the task He called them to, He has given you everything you need to accomplish His will too.

Anytime things seem impossible, focus on the flames and ask God to show you how He is with you, empowering you, and giving you what you need to keep going. Then do it. Just keep going and finish what you've started.

Day 1

Go to [Studio252.tv](https://www.studio252.tv) and watch this week's episode of The So & So Show. (Click on *Fun2Watch!* then *The So & So Show.*)

Even if you already saw it at church, feel free to check it out again!

SO & SO TOP 3

After watching, write one thing that . . .

1) YOU LIKED: _____

2) YOU LEARNED: _____

3) YOU'D LIKE TO KNOW: _____

Day 2

Read Acts 2:1-6, 36-41

As you read Acts 2:1-6, imagine each event unfolding.

You're hanging out with your friends, celebrating what God has done.

A loud sound enters the room. It sounds like a strong wind, but in no time, it fills the entire house with the sound.

Then something that looks like fire appears on the heads of your friends. Wait, do I have one too? What IS this?

You begin to speak in a language you've never once studied. But how? And why?

But then suddenly, you know. This was the gift Jesus had promised He would send after He went back to be with God. This is what He is sending you so you can do what seemed impossible: tell the world about Him.

Now read Acts 2:36-41 to see what Peter and the disciples were able to do through the power of the Holy Spirit!

And here's the best part: we too receive the gift of the Holy Spirit when we put our trust in Jesus. It doesn't look the same as when the disciples received the gift for the first time (don't worry—no fire involved!), but it still means that you've got all the power with the Holy Spirit's help to accomplish whatever seemingly impossible task God has given you!

Day 3

Talk to God about something you're facing right now that seems impossible. As you pray, walk around either outside in your backyard or even just inside your room. Don't stop moving the entire time you're praying.

Tell God:

- What you're facing that seems impossible
- Why it seems impossible
- How you feel about it
- How you need His help to keep going

Lastly, end your prayer by thanking God for His presence and His power. When you're done praying, you can stop walking. But even after you stop walking, keep going toward what seems impossible, and remember God will give you what you need to keep going.

Day 4

Who is the most determined person you know? Maybe it's someone who has accomplished some things that seem impossible to you. Or maybe they've had to overcome some really hard obstacles in their life, but they've never given up.

Reach out to that person today and ask them what helps them keep going no matter what—how do they keep working, moving toward their goal? Is what helps them keep going something that you can use on your journey toward your own seemingly impossible goal?
