

Creativity is imagining what you could do because you were made in God's image.

WEEK
5
K-2ND

Read Psalm 139:14

DAY
1

Who Told You?

Remember back to the first time you heard about God? Was it at church? Home? School? Who told you? Grab your parent and have them help you think through the first time you heard about God!

Thank God for putting someone in your life to tell you about Him!

DAY
2

AD: Salt and Light is Always Available

This week's Bible story, found in **Matthew 5:13-16**, talks about being salt and light. Just like salt makes food taste better, God's Word makes people lives better if we sprinkle it around! And God's Word is like a light. It brightens up our life when we read it.

Who needs to know about God? Make a poster using some craft supplies you have around the house. On the paper, draw a salt shaker and a light bulb. Somewhere on that page write something that you would want others to know about God. Advertise His goodness! Show them your poster and tell them about Him!

Who can you share God with? Friends, neighbors, other family members?

Look for ways to share God's goodness.

DAY
3

Create a Praise

Grab a Bible and open up to **Psalm 139:14**. Read through the verse in your normal voice. Then, read it through three more times. Each time you say the verse you have to create a new motion or voice to give the verse some creativity!

Know that God created you to be wonderful in every way!

DAY
4

Share and Tell

We are created to share all about God with our friends and family. We can tell them about all the good things He has done. Sometimes all it takes is an opportunity to do that. Pray the prayer below and ask God to give you chances to tell others about Him.

"Dear God, I want to tell others all about You and how You created them and created them to be super special. God, give me the chance to tell others about how cool You are. I pray that I will get the chance to do that soon. Thank You for all You have created. I love You, God. Amen."

Ask God to give you chances to tell friends and family about all He has created.

God created you to share His story.
