### BKids Camp Rotation Guide

July 4

#### Life App Definition

Confidence is learning to see yourself the way God sees you.

#### Main Idea

We continue our discovery of confidence with an incredible example found in Daniel 3. Shadrack, Meshack, and Abednego had their faith put to the test when they chose to obey God rather than bow down to the golden statue. They remained confident in God's power. God was with them and rescued them from the fiery furnace.

#### Memory Verse

Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus.     Philippians 1:6, NIV

#### Bottom Line

Trust that God is always with you.

#### Craft Rotation: "God is with Us"

- The Point: Kids will make a "fiery furnace" that they will use to toss in situations they write or draw where they want to remember that God is with them.
- The Directions:
  - Give your child a piece of tissue paper in each of the following colors (Red, orange, and Yellow).
  - Instruct the child to stack their 3 papers on top of each other (no specific order) and then fold the papers into a triangle and crumple the edges so it looks like a flame.
  - Have them tape it to a shoe box or small packing box.
  - Instruct them to tape the thin end of their flame triangle inside the box.
  - Have them repeat this a few times till the box looks like it's full of fire.
  - Give your child a sheet of paper and a pencil.
  - Invite them to write or draw one situation this week or month when they will want to remember that God is always with them.
  - Then ask them to toss their situation into the "fire" and say, "I can trust that God is always with me"
  - Repeat this a few times. You can join in to writing down your own situations.
  - Close in prayer asking God to help you all trust that He will be with you no matter what you face.
