June 6

Life App Definition

Confidence is learning to see yourself the way God sees you.

Main Idea

We kick off the month with the most famous verse ever: **John 3:16**. God so loved the world that he gave his one and only Son. Anyone who believes in him will not die but will have eternal life (NIRV). John is quick to remind us that our life is best when built on God's love for us through Jesus. Our confidence comes from Him. God loves us so much that He sent Jesus to bring us life to the full. We can find confidence when we choose to build our life on Him. We pray that kids will understand how much God loves them. Knowing that can help us find confidence in any situation.

Memory Verse

I remain confident of this: I will see the goodness of the Lord in the land of the living.
Psalm 27:13 (NIV)

Bottom Line

You can be confident because God loves you.

- Share with them that our memory verse today reminds us that we can be bold, get out there, and cling to the truth that you can be confident because God loves you.
- We can always be confident with God because He loves us so much!"
